

Republican Landslide in Kentucky

"Great God!" Said the Woodcock, and Away He Flew

DR. W. S. YAZELL DEFEATS CALVERT EARLY IN A BIG VOTE

Mason county did the unusual Tuesday when they gave to a Republican candidate for governor a majority of 286 votes for although Black's Mason county organization bagged 2067 votes Morrow carried away the county with 2353 votes.

Dr. W. S. Yazell was elected Representative by the good majority of 151 votes even carrying Helena precinct, the home precinct of his opponent, C. Calvert Early, the Democratic standard bearer.

These two races, of course, overshadowed everything else although in the city of Maysville there was considerable interest in the race for Councilmen.

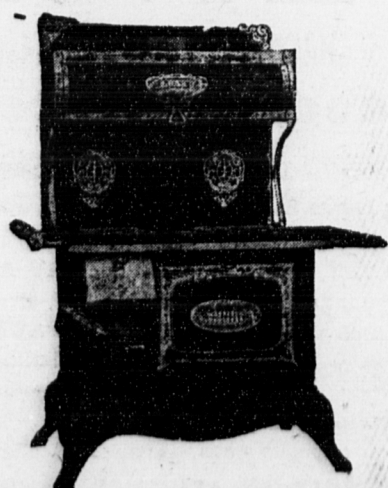

There was very little interest taken in the Prohibition amendment fight until within two weeks before the election when the Dry forces of the county organized and started a campaign. With their organization the Wet forces also got busy and the proposition of including tobacco in the prohibition movement, seems to have worked the game in this county as well as in all other tobacco districts and although complete returns from the entire county could not be received last night, 14 of the 22 precincts give the wets a majority of 431 votes.

The vote in the Representative's race follows:

	Early	Yazell
First Ward	81	84
Second Ward	86	154
Third Ward	100	78
Fourth Ward	117	124
Fifth Ward	103	149
Sixth Ward	95	164
Plumville	101	65
Plugtown	94	73
Dover	63	41

City Race

The city race developed into a very interesting one in some of the precincts and resulted as follows:

First Ward—John W. Eitel and Chas. Reed—no opposition.
Second Ward—Smith 136; Brady 93; Stewart 92; Clooney 88.
Third Ward—Dodson 100; Owens 130; Purdon 68.
Fourth Ward—Brown 144; Wells 134; Watkins 119.
Fifth Ward—Royse 163; Davis 155; Feishter 98.
Sixth Ward—Hunsicker 176; Daulton 152; Arn 100.

THE UNEXPECTED

First Ward went Republican.
Fourth Ward went Republican.
Helena went Republican and against Calvert Early.

Mason County went wet.
Ponto was tin-canned in the Third.
Arn was defeated in the Sixth.

John Eitel and Charley Reed were elected despite the scattering vote.

Although registration gave Maysville to Democrats by 16, it went over 200 Republican.

School Board Gets Big Vote in City
Despite the fact that the members of the School Board had no opposition for re-election there was considerable interest shown in that race throughout the city and hundreds of voters requested that they be recorded as voting for the entire ticket. The members who were elected were: Clint Calvert and Charles Black, First Ward; Ben Greenlee, Second Ward; Edward M. Smith, Third Ward; J. Barbour Russell and R. M. Lindsay, Fourth Ward; W. C. Crowell, Fifth Ward, and George A. Dodson and A. R. Quigley, Sixth Ward.

On the face of what returns are obtainable it appears that the Amendment No. 1 on the removal of officers for failure to protect prisoners in their charge from mob rule, has been defeated.

DOVER ELECTS
NEW COUNCILMEN
Messrs. W. D. Frazer, L. T. Fox, J. L. Osborne, E. E. Kidwell and Frank Collins were elected Councilmen in the town of Dover in Tuesday's election. Messrs. Kidwell and Collins are the new councilmen, the others are re-elected. There was considerable interest shown in the race.

The Man Who Has a Real Grudge against the League of Nations has been found. His objection is musical. He says for years he has been singing "My Country, 'Tis of Thee"; now he has to learn how to sing "Our Country, 'Tis of Thee."

We don't know how you stand on the question of the L. & N., but we do know how you stand on that cooking stove question; you want to get the best your money can buy, and say, folks, we have just got that very thing, the best stove made, the

EDWIN P. MORROW, GOVERNOR ELECT OF KENTUCKY.

ED. MORROW WINS THE GOVERNORSHIP BY OVER 30,000 MAJORITY

Edwin P. Morrow and his associates on the Republican state ticket, were elected yesterday by majorities which exceed the expectations of their most confident supporters.

Complete, although unofficial, returns from 102 of the 120 counties in Kentucky, gave Mr. Morrow a majority of 31,650 votes.

The vote of the eighteen counties from which reports had not been received estimated on the basis of the 1915 election, would leave Mr. Morrow's majority undiminished. Estimated on the basis of the gains made in the counties reported, these counties would give a substantial increase in Mr. Morrow's majority of more than 30,000.

The sweeping Republican victory carried with it control of the Kentucky House of Representatives. The Republicans will have a substantial majority in the House, but exact figures were not substantial last night.

The overwhelming victory of the Republican candidates was marked by reversals of political form hitherto without precedent in the history of Kentucky. Counties which never before had been known to go otherwise than Democratic gave majorities to Mr. Morrow and his associates.

The Sixth Congressional District, which Republicans had been conceding to the Democrats by estimated majorities of from 2,000 to 4,000, gave Morrow a majority of more than 1,600 votes. Large majorities in Kenton and Campbell counties contributed largely to this result.

The Sixth District often has given Democratic majorities of nearly 10,000. Never before has any election found it in the Republican column.

Governor Black ran a poor race in every section of Kentucky, as compared with the race of four years ago when Mr. Stanley, on the face of the returns, got a majority of 471. In the mountains, where Democrats believed Governor Black would show his greatest strength, Mr. Morrow was given greatly increased majorities, compared to the election of 1915. Governor Black was defeated in his home precinct and failed to reduce the normal Republican majorities in his home county, Knox.

Louisville, Ky., Nov. 4, 1919.
Public Ledger, Maysville, Ky.

Louisville, Alvin T. Hert, Republican National Committeeman, made the following statement after it became apparent that Morrow had been elected: "The overwhelming victory of Mr. Morrow and the Republican ticket was due not only to the Republican voters of the state but to thousands of Democrats who put partisanship aside and cast their votes for the best interests of Kentucky. In the campaign which the Republicans pitched upon a high plane and sought only the welfare of the state, the appeal to Kentuckians, irrespective of party, was answered with a vote of confidence in the programme outlined at

the State Convention. For myself I want to say that I believe Mr. Morrow and his associates will redeem every promise. They feel that they have made a contract and intend to carry it out in letter and in spirit. The people were not molested by the effort to inject the League of Nations as an issue. The result was decided by the voters who felt that state issues alone severed their attention in a strictly state election."

The vote in Mason county for Governor follows:

	Black	Morrow
First Ward	81	89
Second Ward	90	149
Third Ward	96	83
Fourth Ward	113	130
Fifth Ward	95	164
Sixth Ward	74	187
Plugtown	91	74
Dover	97	80
Minerva	60	42
Fern Leaf	72	58
Germantown	92	71
Murphysville	90	89

Dieterich	108	162
Plumville	47	74
Orangeburg	138	96
Total	2067	2353
Majority		286

Republicans in all parts of the state were elated over the reports and here in Maysville there was much joy. The members of the Boys' Band began to make plans for their trip to Frankfort in December to attend the inauguration and Manager J. Barbour Russell sent this telegram to Mr. Morrow:

Delighted is the Boys' Band tonight to hear of your successful fight. Oh my the music they will play in Frankfort on Inaugural Day. Mason county gives you 285 old boys. It shows the Boys' Bands no toy Republican Representative is elected too.
To help you guide the old ship through.
J. BARBOUR RUSSELL, Mgr.

Kentucky Dry

Although Mason county gave a majority against the prohibition amendment, the latest report from the entire state of Kentucky is to the effect that the state prohibition amendment was carried by an overwhelming majority. Figures on this amendment are not given at state headquarters of either of the two parties and the Anti-Saloon League has been unable to get reports from the most of the counties, however, enough reports are in to assure the state voting dry.

Miss Bessie Bauer and Miss Edna Leonard entertained last night for Miss Katie May Sammons.

ARMISTICE DAY IS MADE MUNICIPAL HOLIDAY BY MAYOR

Mayor Thomas M. Russell Issues Proclamation Designating November 11 as a Municipal Holiday—Bells and Whistles Will Sound.

Next Tuesday, November 11th, will be the first anniversary of the signing of the armistice between the Central powers and the Allies. The governors of many states and the mayors of many cities have issued proclamation calling upon their people to celebrate the day as a holiday.

This afternoon Mayor Russell issued such a proclamation making the day a holiday in Maysville. His proclamation follows:

TO THE PEOPLE OF MAYSVILLE:
Tuesday, November 11th, is the first anniversary of the signing of the armistice in the great World War. That memorable day will live long in the memories of all of the present generation but it is fitting that the day be observed as a holiday.

The governor of our commonwealth in proclamation has already set the day apart as a state holiday and as Maysville gave many of her sons to the great conflict, it is no more than right that we celebrate the day on which they laid down their arms in battle.

Therefore, I, Thomas M. Russell, mayor of the City of Maysville, designate, Tuesday, November 11, 1919, Armistice Day, a municipal holiday and call upon all to celebrate the day most fittingly. At 11 o'clock the city fire bells will be sounded and factory managers are asked to blow their whistles at that time.

Given under my hand and the seal of the City of Maysville this 5th day of November 1919.

THOMAS M. RUSSELL, Mayor
City of Maysville.

Correst Attest:
R. B. ADAIR, City Clerk.

TOBACCO WAREHOUSE.
MEN OPEN SEASON

Now that the time for the opening of the Maysville Tobacco Market has been definitely fixed, there will be quite a busy season with the tobacco warehousemen over the county. Representatives of all local warehouses will now begin riding over the county presenting arguments in favor of selling tobacco in their houses.

FOURTH WARD DID ITS PART

The old Fourth ward, one of the Democratic strong holds of the city which has always given a safe Democratic majority, turned things upside down in Tuesday's election by giving Morrow a majority of 17. That's Barbour Russell's ward and Barbour was working hard to give his Boys' Band that trip to Frankfort for the inaugural parade.

PURDON CONTESTS ELECTION OF DR. DODSON TO COUNCIL

James Purdon Files Suit in Which He Claims Dr. J. A. Dodson Is Not Eligible to Serve in Council From Third Ward—Asks For Certificate.

James Purdon, defeated candidate for councilman in the Third ward, filed suit in the Mason Circuit Court this afternoon against Dr. J. A. Dodson, successful candidate, and Messrs. C. E. Galbreath, Gus Schwartz and E. P. Rapp, members of the Mason County Board of Election Commissioners.

In his petition Purdon states that Dodson is not legally eligible to hold the office of member of council from the Third ward for the reason that he has not been a resident of the ward for 6 months just prior to the election. He states that he and Ross Owens are entitled to receive the certificates of election as they received the highest number of votes cast in the election for any candidate that was eligible.

The plaintiff prays that Circuit Clerk Key issue a temporary restraining order against the members of the Election Commission restraining them from issuing the certificate to Dr. Dodson. He also prays the court to grant a permanent injunction and that the certificate be awarded to him.

ALL SET FOR BIG SWINE SALE HERE AT PEOPLES WHSE

Plans Are All Completed and Many Farmers Are Expected to Come to Maysville Thursday For Pure Bred Swine—Best Hogs in County Listed.

The officials of the Mason County Swine Breeders' Association announced today that everything was now in readiness for their first semi-annual sale of pure bred swine which will be held on Thursday at the Peoples Warehouse on Bank street. All of the swine has been properly entered and all arrangements made to transport the swine to the warehouse early in the morning. The sale will begin in the morning and continue until all of the stock offered has been sold.

In the catalog is listed the best bred stock in Mason county. The finest swine in the entire county is to be offered whether sold or not and all farmers are invited to be present at the sale to inspect the stock and to have explained the distinguishing characteristics and the real value of having pure bred stock instead of "scrubs" on the farm.

It is hoped by the officers of the County Association to so interest hundreds of farmers in Mason county in pure bred animals that next year will find these high class animals on the majority of the farms in the county. Mason county is now noted all over the state for its pure bred fowls and we should also have a reputation for pure bred swine.

Scarfs

Have Taken to Themselves the Former Grace of Shawls

When a knitted Scarf can acquire enough self-confidence to combine the grace of a deep Shawl, the smartness of a Coat and the warmth of a Sweater it has a right to command your undivided attention. But when it is made of double faced brushed Angora, tuks in under a tiny strap belt of leather and ends in deep fringe it is a favorite comrade on all Fall jaunts. A special value at \$8.95.

Pleated Separate Skirts

Of Wool Plaids and Checks

It is hard to imagine more attractive materials than shown in these separate Skirts. The favored color, brown, is noticed either in a stripe or check or is the ground itself. Accordion pleating is very effective but other box and side pleated models are equally as attractive. More conservative styles are shown in handsome Skirts of Tricot and Satin with self-trap or silk fringe trimming. \$12.95 to 19.95.

MERZ BROS.

OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

DEPORT THEM

Practically one-half of the entire number of mine workers who threaten to tie up the United States in a strike which would bring misery and suffering to millions of people, are aliens. They have absolutely nothing in common with real, genuine Americans. What is the answer?

RED CROSS SEALS ARE HEALTH AGENTS

Idea Was Originated in This Country in 1908 by Miss Emily P. Bissell, of Wilmington, Del.

FIRST SALE YIELDED \$3,000

National Tuberculosis Association, Which Sponsors Seal Sale, Is Conducting Intensive Educational Campaign.

The Red Cross Seal—as millions of Americans know it to day, is an agent of happiness and health. It was originated in 1907 by Miss Emily P. Bissell, of Wilmington, Delaware, who learned through Jacob Rits of somewhat similar seals that were sold in Norway for the purpose of raising funds with which to fight tuberculosis.

Miss Bissell persuaded the American Red Cross to take up the idea with the result that seals were sold in a limited number of communities in 1908. The sale yielded a revenue of approximately \$3,000. The Red Cross then decided to issue the seals each year and to turn the proceeds over to the National Tuberculosis Association and its affiliated societies for the purpose of financing the campaign against tuberculosis. The number of seals sold in America increased by leaps and bounds until in 1917 the total reached 180,000,000.

This year the seals are again on sale beginning December 1. More than half a billion seals have been printed for distribution to state and local agents. In addition to the seals "Health Bonds" in denominations ranging from \$5.00 to \$100.00 are to be sold in lieu of seals to large contributors, who do not send out a sufficient quantity of mail in December to make use of all the seals they would like to purchase. The combined quotas of all the state organizations call for more than \$6,500,000 to carry out the intensive educational campaign being conducted by the National Tuberculosis Association and its 1,000 affiliated societies.

The intensive sale of these seals represents a practical demonstration of every lesson that has been learned regarding scientific distribution. Experts of the highest standing in sales management have co-operated to the extent of assuring those interested that every resident of the United States will have an opportunity to buy Red Cross Christmas Seals.

WORKERS NEEDED TO FIGHT WHITE PLAGUE

National Tuberculosis Association, Which Sponsors Red Cross Seal Sale, Is Conducting Intensive Educational Campaign.

A call for volunteers to fight under the standard of the National Tuberculosis Association and its 1000 affiliated bodies throughout the country against tuberculosis—humanity's most vicious foe—has been sounded.

A recent health survey, made by the experts of the National Tuberculosis Association, brought to light some startling statistics with regard to the prevalence of the disease. The findings of this survey have revealed a national menace, which must be eradicated. The figures show that each year 150,000 persons die of the disease and that there are approximately 2,000,000 cases of tuberculosis in the United States today.

The untamed consumptive—one who does not know the rules of health, is an indefatigable spreader of the disease. Wherever he goes, he leaves behind him a trail of the deadly germs.

The National Tuberculosis Association and its affiliated bodies have entered upon an intensive nation-wide educational campaign. The campaign will be localized and within a short time there will be ample work for many thousands of volunteers.

The National Tuberculosis Association and its affiliated bodies are financed largely by the annual sale of Red Cross Christmas Seals. To make possible the carrying out of this campaign, more than 650,000,000 seals will be offered for sale during the holidays. State and local tuberculosis associations have at hand valuable local data regarding the disease and actual conditions in the communities where they are located. The officers of these bodies eagerly welcome inquiries.

DOUBLE BARRED CROSS ADOPTED 17 YEARS AGO

The double barred Red Cross is seventeen years old this month. In October, 1902, the International Anti-Tuberculosis Association, then meeting in Berlin, adopted the cross as the emblem of the world-wide fight against tuberculosis. It was proposed by Dr. G. Serstren, of Paris. It is a combination of the Croix de Lorraine and the cross of the Greek Catholic church. Both crosses are symbolic of charity and help to humanity. Their combined features were selected and adopted as the symbol of the hope of civilization. Four years later, in 1906, the double barred Red Cross was carried into this country. It was in 1906 the National Tuberculosis Association was formed, and for the three intervening years the cross has been carried over the United States by the National Tuberculosis Association and its affiliated bodies, which now number one thousand.

The work of these organizations is financed chiefly by the Red Cross Christmas Seal sale.

IN THE DAY'S NEWS

Ida Minerva Tarbell, who has a birthday today, has been conspicuous for many years as a journalist and social reformer. A native of Erie, Pa., she studied at Alleghany College, Meadville, and later at the Sorbonne, in Paris. Miss Tarbell's identification with the exposures of the Standard Oil Company, her later service as a prolific writer for the popular magazines, and her succession of books dealing with women's place in contemporary society, have made her a national figure, despite her refusal to use her influence and to cast in her lot with the distinctively political woman's movement. Her lives of Lincoln and of Napoleon have given her additional reputation as a skillful biographer of large figures in history. During the war Miss Tarbell served on the women's committee of the Council for National Defense.

In face of the opposition of Gen. Leonard Wood and other Republicans to a standing army of 576,000 men, Secretary of War Baker is preparing to abandon his plan for that number at a cost to the taxpayers annual of \$900,000,000. While the Secretary and

IT'S SURPRISING

That So Many Maysville People Fail To Recognize Kidney Weakness.

Are you a bad back victim? Suffer twinges, headaches, dizzy spells?

Go to bed tired—get up tired? It's surprising how few suspect the kidneys.

It's surprising how few know what to do.

Kidney trouble needs kidney treatment.

Doan's Kidney Pills are for the kidneys only.

Have convinced Maysville people of their merit.

Here's a Maysville case; Maysville testimony.

Kidney sufferers hereabouts should read it.

Miss Dora Edgington, Wood St., says: "I have used Doan's Kidney Pills and from the results received, I have every reason to recommend them. At times my kidneys have become weak and have been irregular in action. My back has ached, too, and has been very weak and lame across my kidneys. When I have used Doan's Kidney Pills for this trouble, they have never failed to relieve the complaint in a short time. I gladly advise anyone to get a box of Doan's Kidney Pills at Chandler's Drug Store, if troubled in that way."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Miss Edgington had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

SWEET SUBSTITUTE FOR SUGAR IS ANNOUNCED

Malt Sugar Sirup, New Commercial Product, Has High Food Value and Delicious Flavor.

Washington, D. C.—Malt sugar sirup is a brand new sweet which has rived on a commercial scale at the psychological moment to relieve the sugar shortage, say the specialists of the Bureau of Chemistry, United States Department of Agriculture, who have investigated various substitutes for sugar. In addition to being

a sweet, malt sugar sirup has a delicious flavor somewhat resembling that of honey, which adds to its palatability and value as a sugar substitute.

While malt sugar has long been known to chemists, its production on a commercial scale is only beginning. Two factors have stimulated its production recently. The shortage of sugar has developed a market for it, and the recent prohibition law has made available both the raw material and the machinery needed for its manufacture. Malt sugar sirup is made from the same grains as beer and may be made from corn or potatoes or any plant containing starch. Barley,

which was used until recently in the manufacture of beer, can be used now to produce malt sugar sirup.

Speaking of Bolshevism, Marvin Gates Sperry, national president of the Private Soldiers' and Sailors' Legion, set up by a comparatively small number in opposition to the American Legion, has written a letter to Representative Joseph W. Fordney, of Michigan, chairman of the Ways and Means Committee, in which he asks a \$500 bonus for all the private soldiers who participated in the World War. He suggests a referendum vote among the soldiers on the subject. Fordney replied that he first wanted to know what the American Legion would say on the subject at their convention in Minneapolis. Sperry comes back with a statement that "on no account should yourself and the other members of Congress of the United States keep the soldiers of the country waiting, with bitter winter coming on, for the uncertain and probably manipulated decision of a convention over which the giant profiteers will have every financial inducement to exercise control."

THE HOUSE OF SWEETS

Catarrhal Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, 75c.

CALL PHONE 421.W

Your Part and Hers

Good telephone service depends not only upon the telephone equipment and the skill and intelligence of the telephone employees, but also upon the co-operation of the telephone USERS.

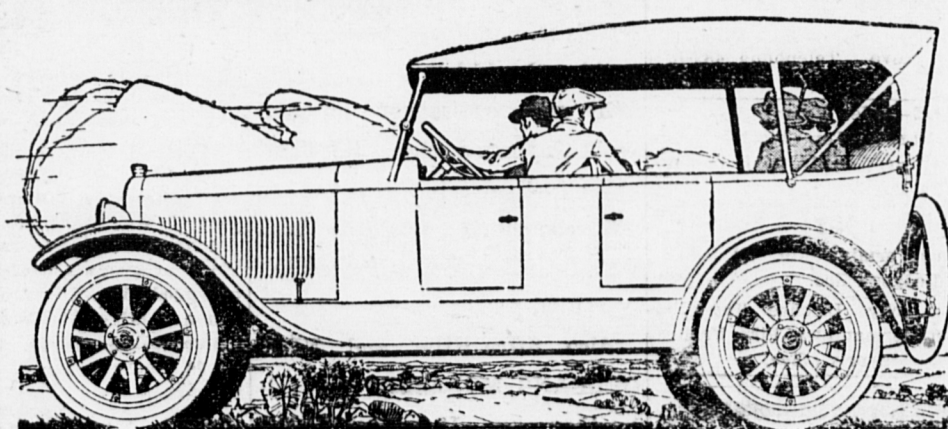

It is the responsibility of the calling person to be sure to give the operator the right number, speaking lowly and distinctly.

The operator's responsibility is, in turn, to answer the caller's signal promptly and to give the desired connection quickly and accurately.

Still further, the called person co-operates towards good service BY ANSWERING PROMPTLY; and each helps by speaking distinctly and by practicing courtesy and patience under all conditions.

THIS IS THE RED CROSS CHRISTMAS SEALS GIRL

BEVERLY HAYES

Beverly Hayes says: "Buy Red Cross Christmas Seals. They protect little children from the ravages of tuberculosis. They build a barrier of health about the workers of the nation. They protect homes—your home. They spell hope, assurance and physical and economic rehabilitation to more than one million people in the United States who have tuberculosis. If you purchase enough Red Cross Christmas Seals, the death rate of this dread plague will be materially reduced."

"Last year 150,000 people fell victims of the disease. Twelve thousand of these were little children. Think of it! This death toll is needless. If we all do our part in the sale this year, next year's death rate will be smaller. It will be reduced year by year until eventually tuberculosis has passed into the oblivion which has already engulfed smallpox, leprosy and typhoid fever."

Our Offering

Is conceded to be one that is extremely "tasty". You can ask all lovers of ICE CREAM and Confectionery what they think about our wares. The unanimous verdict will be that there is "None Better."

It satisfies the children and is equally welcome to older members of the household.

Elite Confectionery

The Big Warehouse on Square Deal Square

D. & W. West Director License No. 5111-5

The Clothing Situation

For men and boys is very acute and the tendency for higher prices continues. While merchants are running all over the country trying to secure more merchandise, fortunately the us. had the foresight and nerve to go into the market when conditions were more normal, thereby, securing first choice of patterns and materials, getting them into the house for display and sale at reasonable prices, for which the public seems duly grateful by the way they are buying of us. Every day finds new goods from early purchase coming in to fill up our depleted stocks. Even under these wonderful circumstances we would advise an early purchase of Suits, Underwear, Wool Shirts, Raincoats, Mackinaws, Sweaters, Hat and Men's Overcoats. Children's Overcoats are, however, very scarce at the present time but we have always had a few to show and in a few days will have a full and complete stock.

Two experienced men added to our sales force to care for our increasing business.

TOBACCO MARKET WILL OPEN TUESDAY, DEC. 9

Maysville Tobacco Association Fixes Date For Opening of Local Market at Time Predicted a Few Weeks Ago.

There was a very interesting meeting of the Maysville Tobacco Association held at the Chamber of Commerce building Tuesday evening when plans for the 1919-20 tobacco season were discussed thoroughly by the warehousemen and buyers and the date for the formal opening of the market was fixed Tuesday, December 9, just one week after the opening of the Lexington market.

This is the date usually fixed by the local tobacco men but last season the market was not opened until after the first of the year. This arrangement was not at all satisfactory to the growers and to the majority of the warehousemen.

Although there will be no extra floor space on the local market this year above the floor space of last year, it is certain that the local houses can handle the crop grown in this section well. The warehouses this year will be organized as never before and it is certain that the tobacco sold over the Maysville market will bring as good price as if sold any other place in the state.

WILL CELEBRATE GOLDEN WEDDING ON SUNDAY

On next Sunday Mr. and Mrs. N. H. Richardson, of Jersey Ridge, will celebrate their fiftieth wedding anniversary. Mr. and Mrs. Richardson will leave Saturday or the home of Mrs. Richardson's brother, Dr. H. M. Marsh of Danville, to spend the day there. A reception will be given them upon their return.

CLOTHES That Give Permanent Satisfaction

A suit always satisfies you when it is brand new. And maybe you'll feel satisfied with a new suit for a month. Perhaps a bit longer. You'll find a lot of clothes that will satisfy you that long. But that's only temporary satisfaction. You don't want that kind.

HECHINGER'S CLOTHES

'atisfy you permanently. By that we mean that they will give you satisfaction for many months.

And long after the suit has worn out you'll think about the satisfaction you got. That's because these clothes are all-wool, expertly tailored, smartly styled, and priced right—ALWAYS.

A Store of Established Standards

CITY MISSION TAKING ON RENEWED ACTIVITIES

Officers of City Mission Elected and Experienced Worker Is Procured as Acting Superintendent—Play Thursday Will Bring In Funds.

The Maysville City Mission, which in the past has accomplished much good in the community by relieving suffering among the poor, is expected to take on new life and go forward in its good work with renewed energy.

A new corps of officers was elected at a meeting of the executive board held Tuesday at the Mission rooms in the Caproni building. The election resulted as follows:

President—Mrs. T. M. Russell.
Vice President—Mrs. James B. Ross.
Treasurer—Mrs. R. B. Lovel.
Secretary—Miss Minerva Stockton.

These women are all very much interested in the work being carried on by the City Mission. They are all women who believe in seeing anything go forward to which they are attached and it is safe to predict that the City Mission will do great things for the poor of Maysville and vicinity during the coming winter.

Mrs. Mattie Fountain, an experienced worker, has agreed to undertake the work as Superintendent temporarily and will begin her services immediately.

BOYS' BAND WILL ADVERTISE CITY MISSION PLAY

There will be many people at the Washington Opera House Thursday evening to see the "Womanless Wedding" being given for the benefit of the Maysville City Mission by a number of prominent local business men. To advertise the show, the Boys' Band will parade through the city Thursday afternoon leaving the car barn at 4:30 o'clock. They will parade down Second street to the heart of the city. All members of the band are asked to meet at the band room at 3:30 o'clock Thursday afternoon.

BOYS' BAND GETTING READY FOR TRIP TO FRANKFORT

The members of the Boys' Band are much elated over Ed Morrow's victory in the race for Governor and are now getting ready for their trip to the capital in December to take part in the inaugural parade. The boys are having the whiskers cut and shaved from their faces—these are the whiskers Senator Stanley said would be on their faces when Morrow was elected governor.

LOCAL MAN AIR PASSENGER TO LEXINGTON

Captain Eddie Stinson and his three airplanes left here this morning about noon hour to fly to Lexington. Captain Stinson took with him in his plane, Mr. Harry Miles, of the Sphar-trick Company. Mr. Miles has the distinction of being the first Maysville man to fly overland to Lexington. On Tuesday afternoon the airplanes did quite a business carrying passengers.

RECORD PRICE FOR HARRISON FARM LANDS

Cynthiana, Ky., November 4.—Frank air sold his farm of 68 acres on the Leeburg pike to Tom Asbury, of Carlisle, for \$400 an acre. This is said to be the record price for farm land in this county.

WIDELY BY LARGE MAJORITIES

In the election Tuesday the State of Ohio voted dry by a very large majority. The vote is growing as each county is heard from today and this afternoon the majority is placed at between 50,000 and 75,000.

The funeral of the late Rev. Silas Lawwill will be from Bethany church near Aberdeen Thursday morning at 10 o'clock. Burial will be made in Charter Oak cemetery.

Buy in Maysville. It pays.

"THE SMARTER SET"

Another movement that is described as a new twist in stage versions of Egyptian dancing is called the "mummy" and is the invention of Grace Howell, with "The Smarter Set" better known as "The Smart Set", headed by the foremost comedians Salem Tutt Whitney and J. Homer Tutt, who will present their latest musical creation entitled "The Children of the Sun" at the Washington on Saturday night. "The Smarter Set" is not a new organization, but one that has stood the test years before the now popular jazz had gained fame, these folks were traveling about the county with their musical shows, under the title of "The Smart Set" and have prospered, while their present musical comedy "The Children of the Sun" is conceded to be exceedingly original and full of "pep".
